23/03/2026

Work Report

1 — Responsive Design

• Added media query breakpoints to all 6 CSS files
• Gallery: 3 columns (tablet), 2 columns (mobile)
• OTP boxes optimized for small screens (576px, 360px)
• Mobile improvements: team card touch-flip, reduced hero padding
• Navbar, stats, CTA, feature cards responsive at 575.98px

Task 2 — Gallery Grid System

• Replaced column-count with display: grid
• Added dynamic --cols property
• Updated applySize() using setProperty('--cols', cols)
• Renamed masonryGrid → photoGrid, masonry-grid → photo-grid
• Increased grid gap from 6px to 12px

Task 3 — JavaScript Fixes

• Fixed gallery JS referencing old grid ID
• Fixed CTA button click issue
• Fixed resize issue for antigravity animation

Task 4 — SEO Improvements

• Added <meta name="description"> to all pages
• Pages: index, gallery, about, contact, access, view

Task 5 — Footer & UI Cleanup

• Simplified access page footer
• Unified footer background #0a0e1a
• Standardized body background #f4f6fb
• Fixed button color inconsistency
• Moved shared colors to darkmode.css

Task 6 — Branding (Red Accent #e94560)

• Applied across buttons, logos, headings, icons
• Added red focus effects, nav underline animation
• Page-specific accents for gallery, access, about, contact

Task 7 — Mobile Navbar Drawer

23/03/2026

• Replaced Bootstrap collapse with custom drawer
• Implemented on all pages
• Added openNav() / closeNav()
• Hidden on desktop using media queries

Task 8 — Home Page Enhancements

• Antigravity animated banner with floating event labels
• Interactive effects: mouse repulsion, click blast, smooth motion
• Responsive height (520px → 400px)

Additional Sections:
• Marquee bar with scrolling event types
• Stats: 500+ Events, 50K+ Photos, 200+ Photographers, 30+ Countries
• CTA banner with red gradient and animation

Task 9 — Dark Mode Fix

• Fixed .text-primary and .btn-outline-primary override issue
• Scoped styles properly for dark mode

Improvements:
• Headings, text, cards, backgrounds optimized for dark
• Buttons, badges, dropdowns, footer fully styled
• Consistent dark color palette across all components
